

Uploading the ZIP file to hosting

1 Click "Upload"

The screenshot shows the Cyber Panel web hosting interface. The top navigation bar is dark blue and contains the following items: the Cyber Panel logo, an 'Upload' button (highlighted with a red circle), a 'New File' button, a 'New Folder' button, a 'Delete' button, and a 'Copy' button. Below the navigation bar, there is a 'Fix Permissions' link. The main content area is divided into two sections. On the left, the 'Current Path' is displayed as '/home/nextkube.net/community' in a text input field, and below it, a folder icon and the text 'nextkube.net' are shown. On the right, there is a table with two columns: 'File Name' and 'Size (KB)'. The table contains two rows: one for '.well-known' with a size of 4 KB, and one for 'index.html' with a size of 0 KB. Above the table, there are navigation links: 'Home', 'Back', 'Refresh', 'Select All' (checked), and 'UnSelect'.

File Name	Size (KB)
.well-known	4
index.html	0

2 Click the "Upload" field and select the file named typn.zip

4 Click "typn.zip"

The screenshot shows a file manager interface with a dark blue header bar containing icons for Upload, New File, New Folder, Delete, Copy, and Move. Below the header, there is a 'Fix Permissions' button. The main area displays a list of files and folders. The file 'typn.zip' is highlighted with an orange circle.

File Name	Size (KB)	Last Modified
.well-known	4	Nov 7 18:12
index.html	0	Nov 7 18:05
typn.zip	29684	Nov 7 21:34

5 Click "Extract"

The screenshot shows a file manager interface with a dark blue header bar containing icons for Folder, Delete, Copy, Move, Rename, Edit, Compress, and Extract. The 'Extract' button is highlighted with an orange circle. Below the header, there is a 'Refresh' button and checkboxes for 'Select All' and 'UnSelect All'. The main area displays a list of files and folders.

Size (KB)	Last Modified	Permissions
4	Nov 7 18:12	drwxr-xr-x
0	Nov 7 18:05	-rw-r--r--
29684	Nov 7 21:34	-rw-r--r--

6 Click "Extract"
