License Information

Meeek SaaS *for WordPress*

Thank you for purchasing Meeek SaaS. Below you will find useful information on how to get started with the SaaS.

1. **Meeek Theme** (used as a website landing page)

   a. The theme is provided for free when you buy an Extended License.

   b. Download the theme **here**: (You will need your Envato Username+Your License)

2. **Payments Addon** (for paying customers)

   a. The payments addon is provided for free when you buy an Extended License.

   b. Download the addon **here**: (You will need your Envato Username+Your License)

3. **How can I upgrade from a Regular to an Extended License?**

   a. If you already purchased a Regular License and want to upgrade it here is what you need to do:

      i. Purchase the Extended License.

      ii. Request a refund for the regular license and mention that you also purchase the extended license.

      iii. We will approve the refund in minutes.
